GREAT SOUTHERN KART CLUB

Last Saturday, September 7, the Great Southern Kart Club held its September club day which included the Wagin 1000 for the twin engine class, and for the first time included a 20 lap final for the juniors.

The junior program was run in the morning and was well supported, with a total of 28 juniors all aiming to take out the Junior Wagin 1000. There was some fierce battles going on throughout the heat races, but at the conclusion of the heats, the best two were Ryan Crofts and Blake Curtis who started off the front row together.

At the end of 20 laps, Ryan Crofts took the chequered flag first, from Brock Francis and Blake Curtis in second and third, and Kenneth Puddey, Alex Crofts and Brendon filling up the podium.

At the conclusion of the junior program, it was the seniors turn to hit the track in the afternoon, and with 11 twin drivers nominated, the racing was guaranteed to be fast and furious.

After the heats, Joe Chalmers claimed pole position for the all-important final, with Joel Ettridge on the front row with him. By the chequered flag though, it was Joe Chalmers who took the victory from Adrian Krause and Joel Ettridge in second and third respectively, and Jason White, Matt Bain and Lee Austen rounding out the podium.

The KT Lights class was taken out by first time victor Matt Cochrane, with Jye Chapman and Tyler McQuilkin earning their place on the podium.

Jack Williamson took a narrow victory in the KT Medium class from Craig McIntyre and Brendan Joyce.

Daniel Coleman was victorious in the KT Heavy class with Craig McIntyre again the bridesmaid in second, and Cooper Davis third.

The 125 Lights class was highly competitive, with only five points separating the top three. Rick Iwanow managed to scrape through with the win though from Luke Nardini and Jye Chapman.

Cooper Davis managed a narrow victory in the 125 Heavy class, over Bain brothers of Daniel and Michael.

The club also wishes Dave Riggs a speedy recovery, who had a nasty accident in the final, and thanks to the Wagin St John's Ambulance for their expert care.

The Outlaws class was another close-run affair, with Jake Montgomery managing to hold on to the win from Joel Ettridge and Mark 'Dolby' Davis.

R U OK DAY

In support of R U OK day the CRC will be hosting an event to raise awareness for a much needed cause. To raise funds and support for mental illness we will be painting one of our garden trees blue. The event will kick off at 11:30am on the 12th of September, and everyone is encouraged to come along and join together for this great cause.

WAGIN CRC SIDE GARDEN

The CRC's side garden is now open to the public and available for use. We thank you for your patience over the time that the side access area was closed. The side garden was opened officially on the 21st of August and the CRC would like to thank all of those who attended the grand opening.

AGRICULTURAL PILOT EXPRESSION OF INTEREST

With multiple requests to run a pilot information course the CRC have decided that we will be hosting an event alongside TI Dawes & AS Irvine Pilots to give everyone the chance to come along and be informed on the new regulations surrounding pilot vehicles. The course will only go ahead if enough people have registered, so be sure to RSVP to ensure the course goes ahead. The hosts of this event have lowered the costs to make it more accessible to people. It will now only cost \$130 which is a savings of \$50!

WAGIN CRC ANNUAL GENERAL MEETING

The time for this year's Wagin CRC Annual General Meeting has arrived once again. The meeting will take place on the 18th of September at 5:30pm in the CRC meeting room. All current financial members are welcome to attend and take part in voting, or put your name down to join the committee team. Membership forms are still available at the front counter of the CRC, and membership is a requirement to list your name for any role within the CRC.

WAGIN CRC EFTPOS MACHINE

We're pleased to announce to the community we now have a PayPal Eftpos machine up and running. We accept Master card, Visa and American Express for all purchases. A 2% fee applies to all charges.

IPAD & TABLET LESSONS

After a short break of lessons we're happy to announce we're working on bringing back our lessons based on iPad's and Android tablets. Our next session will run on the 2nd of October and will be focused on iPads. The Android session will be held on the 16th October.

COMMUNITY BALLET CLASSES

Ballet classes are being held each Tuesday from 4:00 pm. Classes from 4:00 pm – 4:45 pm will be for kids 4-6 years old and classes from 5:00 pm – 6:00 pm will be for ages 7-13. 13+ year olds will run from 6:00 pm – 7:15 pm. For all the details on the classes please contact Jessica Booth on 0458 204 933.

WAGIN CRC FOOD STORAGE

A reminder to all of the community that the CRC have a food storage area for those in need. If the food is not collected, it will be dropped to Food Bank for people to collect there.

WAGIN GYM MEMBERSHIP RENEWALS

For those gym members whose membership expired on the 31st August 2019 can you please renew your membership as is it now overdue. If you do not wish to renew your membership, please advise the Shire and return your gym key to the Administration Office so we can refund your key bond.

Thursday's Exercise Group

Thursday morning's exercise group had a special guest recently when Department of Primary Health Physiotherapist Lee Conlan led the group. Lee was one of the original supporters of the group when it was established 20 years ago, and had a great time catching up with some familiar faces who are still with the group. The gentle exercises are also suitable for people who wish to do them from a chair, and new participants are always welcome. For more information you can contact the group leader Lyn White on 9736 1155. The session is for one hour from 10-11am each Thursday.

Yarn Bombing

The West Arthur community is invited to participate in the Blue Tree Project for Mental Health Week October 6-12. This involves 'yarn bombing' the Darkan entry statement trees and covering them in blue knitted or crochet squares. So if you can whip up some squares of 30 cm x 30 cm in dimension to help cover the two large metal trees you can drop them off to the Shire of West Arthur offices and know you have helped raise awareness of mental health. If you wish to knit or crochet with others for the project, come along to a knitting session with the Tuesday Sewing Ladies on Tuesday September 27 at the CRC.

CWA Bring and Buy

Check out the CWA stall outside Rarebits on Burrowes Café in Darkan on Tuesday September 24 from 10 am to 2 pm. The funds raised will go to the upkeep of the CWA Rooms. If you have any items to donate, then please contact Jane Hartnett on 0427 522 759.

AusChem Course

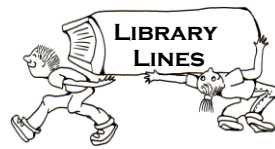

The West Arthur CRC will host an AusChem TAFE short Course Reaccreditation one day course and a new Accreditation two day course between October 8-10. This cost of the reaccreditation is \$432.40 and the cost of the new course is \$481.80. Please contact the CRC for more details and to book in.

Wind-Up and Exhibition

All welcome to the West Arthur eXpression (WAX) Exhibition event showcasing all the welding done on fire pits or garden ornaments, on Friday September 20 from 6.30 pm. Free roast beef and gravy rolls, live music. BYO drinks. RSVPs appreciated by Tuesday September 17 to the West Arthur CRC on 9736 2000.

Heavy Vehicle Pilot Training

Is anyone interested in this training? It will cost approximately \$1200 per person and a minimum number of 8 is required to run the course. It's a 2 1/2 day course you may need to do thanks to the new rules that say if you travel more than 1km on a main road you now require a lead pilot who is fully accredited! Contact the West Arthur CRC on 9736 2000 to register your interest.

Hi to all our Wagin Library & Gallery Patrons and friends

Is stress good or bad for us?

Stress is something we have or a loved one has had in their life. It might even be ongoing. Stress is the body's way of responding to demand or pressures. It can be caused by both good and bad experiences. In many cases stress is a healthy reaction.

It helps us cope with life's challenges. If you have too much stress, or prolonged stress it can affect our physical and mental health.

These are some of the common signs of stress:

Low energy, headaches, upset stomach, aches, pains and tense muscles, chest pain and rapid heartbeat or even insomnia.

Examples of life stresses can be:

The death of a loved one, divorce, loss of a job, moving to a new home, chronic illness or injury or it could be a combination of things.

There are a few ways to relieve stress.

Exercise, reduce your caffeine intake, write down how you are feeling, laugh at the silliest things, spend time with family and friends, listen to music, meditate, read a book, do a jigsaw puzzle, listen to an audio book or may even like to read to a child. How about watch a very funny comedy movie.

Here are a few books to help with your stress:

"8 keys to stress management" by Elizabeth Anne Scott. Anne Scott is a blogger and a professional. This book is a convenient self-help tool for those looking to manage stress more effectively. It is a resource that may actively work through, then revise later. There is a wealth of information on how to manage it.

"Meditation made simple" by Paula Watkins, Ph.D. Dr Paula Watkins is a clinical psychologist, meditation expert she also holds a PhD in public health and community medicine. In this book there is meditation practices, benefits, and applications.

"Stress less, Accomplish more" by Emily Fletcher. The fifteen minute meditation programme for extraordinary performance. Do this meditation twice a day as recommended. Emily shows an ancient meditation technique, designed for busy lives. The focus of the practice is stress relief, mental clarity and improved productivity, so it's perfect for the fast pace of modern life. This style of meditation will help those with a lot of demands on their time, those with busy jobs, lives and families.

There is a website to contact www.helpguide.org>articles>stress-symptoms-signs-and--causes. Seek medical advice if stress is getting too much. Contact your local doctor or health professional. You might like to try some art activities to help you relax. Would you give drawing or painting a try? You don't have to be a professional to do drawing or art. The painting or drawing could be something you like or you could express how you are feeling.

To help me relax I like to listen to music, do some gardening, exercise, catch up with my family and friends, read when I have some free time, and go to the movies with friends.

Remember, find time to relax so there is less stress.

Looking forward to seeing you all soon.

WOODANILLING TAKE THE CAKE

The Smiddy Memorial Fox Shoot saw Woody take the overall win from Wagin this year. Well done to the teams from Woodanilling. The winning individual team was The All Nighters, last year's winners who were shooting

for Woody this year.... well done to all the teams who entered... total tally for the event was: Woody 83 points, Wagin 64 points and we had some Dumbleyung entrants too this year with a 6 point total.

There were 19 foxes, 53 rabbits and 5 cats shot over the weekend. 5 cats in one shoot is a great outcome with numbers for them often being less than that for 3 separate shoots throughout the year!

With the foxes and cats at this year's shoot, SSAA now have \$120 going to the Regional Mens Health Initiative.

Well done to everyone involved!

WAGIN GUN CLUB CONTINUE THEIR SUCCESS

The Wagin Gun Club boasted two teams at this weekend's Great Southern Zone Shoot. Team #1 were close to victory but finished just three points off the lead at the end of day's play.

There were some great individual performances with Pas Carbone and Jim West both laying claim to A Grade prizes. Chris Moffatt finished in second place in B Grade. Cameron Browne has made the Zone Trap Team, meanwhile Jim West showed his skeet prowess and has made the Zone Skeet Team.

Today saw another couple of victories with Cameron Browne winning the Barry Kowald 100DB at Katanning with 99/100. Sandra Moffatt was runner up with 97/100. The next few weeks is the real business end of the season with the WA State Titles coming up and the Wagin Club Championships.

WAGIN GETS NEW FACE LIFT

Anyone coming to Wagin would notice the main street has a bright new look.

Not only is there a much bigger IGA store combined with newsagent and Lotto outlet, where Betta Furnishings and The Lamb Shank were for many years, but alongside the new frontage is a beauty salon and a hairdressers.

Two of our local businesses, Lady-Kays Beautè and Magic Touch Hair Studio, have renovated the space that once was the local newsagency, and have come together to offer their combined services to customers.

On the 4th of September these two businesses

had their grand opening, and it was a great success to see so many on that day.

Kayla Patuwai has moved from her salon on Leake Street, and Tash Smith has moved from around the corner on Tudor Street. These women and their families have been working behind the scenes revamping and sprucing up the building to give it a total new look, and are now open for business.

Kayla has been in the beauty industry for seven years and has had her salon in Wagin since 2016. She now has apprentice Shakira Buck as a trainee with AMA Apprenticeship and Traineeship Services to do her Certificate 3 in Beauty.

Magic Touch Hair Studio, formerly known as Broadway Hair Studio was purchased by Tash from Leonie Tully in 1999. Kasey Pearce did her apprenticeship with Tash in 2011, and will now join her in the new salon.

WINGS OVER WAGIN STATE CHAMPIONSHIP COMPETITION IN SCALE AEROBATICS

Over last weekend, Wagin again played host to the Scale Aerobatic pilots from around Western Australia. Two years ago the airfield was buzzing with the National Championships. "So we thought it was about time to return – it was such a success" says Club President, Peter Bryner.

Since then the airfield has been host to other model aircraft events, being the home of West Jets. "This is a great place for flying. The Shire is supportive, we support the local businesses and the field is one of the best places around for a model aircraft competition. We have stringent CASA guidelines regarding use of a full-size

airfield for models. We had a number of full-size visitors throughout the competition – and it all ran smoothly", Peter continued.

13 model aircraft enthusiasts each underwent nine rounds of competition flying to determine the State Champion for each of the five classes in this discipline. Scale Aerobatics is defined as the use of model aircraft which have a full-size equivalent in aerobatic competition. They are usually larger models than people expect – ranging from 2-3 metre wingspan and around 30-40% scale. "We use the 1000ft clearance to execute loops, stall turns and many trick manoeuvres, just like the full size aircraft."

Six sequences were completed on Saturday by all pilots. The great weather continued into Sunday after a cloudy start. The first round on Sunday was the "unknown". This is a set of manoeuvres which the pilots have never flown before. "It increases the stress level a bit", Peter explained. "But everyone managed without crashing. I'm proud of how everyone handled the challenge."

Then to finish off, another two sequences of the "known" sequence was flown. This can be a challenge because everyone is getting a bit tired. "You have to put that last unknown flight out of your head, back to the regular sequence", Peter said.

Everyone in the competition gets to sit in the judges' tent - "it's important that pilots get to judge others as well as fly – we are not a big enough group to afford separate judges".

Congratulations to all the participants, their helpers, the Shire and West Jets for a successful event. The State Champions for 2019 in Scale aerobatics in each class are:

Basic: Paul Dewar

Sportsman: Bob Chitty

Intermediate: Wayne Ratcliffe

Unlimited: Peter Bryner

We look forward to next year's competition and more flying at Wagin Airfield.

LONG TIME SERVICE HANDS OVER THE REINS

After 45 years, the Wagin Committee-run Meals on Wheels service will deliver the last meals on Monday October 1st 2019.

From October 2nd Wagin Home Care, in conjunction with the Wagin Shire Council, will take over the Meals on Wheels service.

The Wagin Shire Council and Wagin Home Care invite all past and present drivers to a Thank You Morning Tea to be held on 27th September at 10am at the Eric Farrow Pavilion.

Please RSVP to the Shire Office on 9861177 by 25th September.

The Wagin Meals on Wheels service started in 1974 with a small group of volunteers including Mr Mick Divall, the main organiser for many years, Sister Win Malone, and Matron Di Hoad (Di Piesse). One of the original members, Mrs Robin Dunham, is still delivering meals - a wonderful achievement.

On 24th February 1983, this band of volunteers had their first official meeting and decided to be incorporated, mainly to cover insurance purposes.

Mrs Tup Thompson was the original President and held this position until 1988, when Mrs Robin Dunham took on the position. She held this until 2012, then Mrs Val Parker 2012-2017 and Mrs Shelly Benck 2017 to present were elected.

Other positions held were Roster Coordinators Mr Divall from inception until 1995, Mrs Lois Dohle until 2006, V Kelly 2006-2007, Gwen Bosenberg 2007-2012 and W Farrow 2012 until today.

Various Treasurers with Val Parker 1993 to 2003 and Sue Hall 2003 until today.

A number of Secretaries over the years with Cay Gell 1999 to present.

The numbers of volunteer drivers has fluctuated over the years from 40-50 to approximately 30 today, with meals falling to 1 to 3 a day. Originally there were two runs a day delivering to upwards of 20 people.

The present Meals on Wheels committee wish to sincerely thank all volunteer drivers for their services over the years and wish them Good Luck and Good Health.

STORY BOARD PHOTOGRAPHY EXHIBITION BY WAGIN CAMERA CLUB

Wagin Camera Club members will again exhibit a photography display for public viewing at the main Sportsground's Recreation Building over the weekend of the 21st & 22nd September during the 2019 Wagin Gymkhanarama Annual Horse Spectacular.

In October 2018 the local Camera Club celebrated its 20th Year, with members undertaking a special project to mark this milestone with a series of Story Boards, whereby each member chose a theme which features 12 -15 images to create a memory of a time, place, event, favourite topic and/or story that was special to each one of them.

On the day of the club's celebrations, 24 Story Boards were hung and judged by Mr Colin White, President of the WAPF (WA Photography Federation), and he stated how surprised and impressed he was with the creativity and the high standard of photography to produce an excellent display. Mr White continued to praise the club on achieving this massive project over a short period of time, and recommended that the club share the Story Boards if another occasion arose, hence this exhibition coming soon to Wagin Gymkhanarama.

The Camera Club has been given the opportunity to exhibit a number of the Story Boards over the Gymhanarama weekend, and members welcome local residents and visitors to come along to the Wagin Recreation Centre to view and enjoy the display, which may bring back memories to you as well.

"There are always two people in every picture: the photographer and the viewer."

WAGIN FOODWORKS SPRING MARKET DAY

BY JO NOTLEY

Saturday the 7th of September marked the Wagin Co-Op's spring markets. The day started off with the sun shining beautifully. Then thankfully, Shane Dawson and the Little Red Cart arrived. Phew. Actually, we all saw Shane smile...it must be spring! Next came the Wagin Riding Club with their wonderful array of all things sweet, cake stall and wood raffle, along with Sue and her trusty pony to bring squeals of delight to the little people. Up went the bouncy castle, which was also tested by some bigger people! Lions President Ann had donut balls rolling in cinnamon sugar, whilst cracking the whip on her sausage sizzle cooks, not to mention the toffee apples, generously donated by Martins Produce. All addressing some of the food groups! Then along came Mudgee...chef extraordinaire, with his meals from around the world, successfully fundraising for the Cancer 200 group. The busy hum was then interrupted with the rollicking music to the ears, by Peggy Sue and many Loose Strings! We sincerely thank them for giving up their time to entertain, in return for our donation to The Royal Flying Doctors. It didn't stop there ... Banks, who is usually in control of our veggies on Saturdays, had them jumping around his wok, along with chicken, prawns and noodles to sample and then some amazing fried rice. These Asian delights were appreciated by our customers, some of whom went home with the recipe handouts and actually re-created the dishes at home. A big thankyou and well done Banks. We had some bargain buys instore, enhanced by the boxed Cyclamens and bunches of fresh flowers. Our last shoppers came in around 1:15pm and they were very happy that we were still open. It was a great morning, and all groups were pleased with their fundraising efforts. Thank you to all staff and everyone that contributed to our Spring Markets.

FARMERS ASSESS FROST LOSSES

Canola crops like this one didn't fare too well when Jack Frost came to visit last week. It's a waiting game from here to see the extent flowers and/or stems have been affected.

What do you estimate the frost damage to be at your place?

A Kojonup farmer woke on Thursday to find TT canola heads bent over like hockey sticks (pictured).

There are reports of farmers south of Boyup Brook squeezing ice from the stems of faba bean crops, which are usually quite tolerant to frost.

ANOTHER CLOSE CALL FOR WAGIN FOOTBALL CLUB

2019 was a successful year for the Wagin Football Club with results all year promising for a hopeful finals series. This year was a certain improvement and stepping stone from the previous seasons Wagin has had, with all grades giving their all year in year out.

Once again the Wagin reserves side held strong through finals and took their talents to the big dance. This year's grand final was held in Kukerin and the oval was overloaded with spectators. Unfortunately for Wagin, the result didn't swing their way but that's not to say the team didn't put up a fight. The match was hand in hand for most of the game before Williams pulled away in the second half. The final score was Wagin 3.5 – 23 defeated by Williams 8.9 – 57.

A huge congratulations goes out to Shaun Robinson for taking out this year's South Fremantle award and all of the team for making it as far as they did in the season.

The team will wrap the year up at their presentations on Saturday the 14th in Darkan.

SPRING HASN'T YET SPRUNG AT KATANNING SHEEP YARDS

Despite it being the traditional peak spring flush time, the yarding of 5256 sheep at the Katanning sale this week wasn't that flash.

Manager Rod Bushell believes the new lamb definition, which adds around 5-6 weeks to the lamb classification before it's considered a hogget, has diverted merino numbers away from the saleyards, straight to the processors.

"Stock agents seem to be a bit worried about the numbers out there overall; they don't seem to be getting the phone calls they do usually," he says.

"But I can see the trend already starting to build with weaning coming in."

NEW OPENING FOR LOCAL FARMERS? (photo needed)

WHEAT vs GOLD

Could Great Southern wheat farmers diversify into gold?

Matthew Greentree of Ausgold Limited thinks so!

"It's one of the great secrets of the south west of WA," he says.

"I think once people start putting a concerted effort into exploration, there's massive potential here."

The Ausgold project, 30 kilometres NE of Katanning, is entering its development stage with the potential to process 1.25 million tonnes per annum.

Matthew Greentree says the current high gold price means they can mine more aggressively.

WAGIN GYMKHANARAMA

Wagin Gymkhanarama includes Sheep Dog Trials this year! The Central District Sheep Dog Club are running a 3-day event this year the following from Club organiser Joan Gorman:

We have received a good number of entrants for our Wagin trial 19-21st Sept.

Over the 3 days we will conduct around 146 runs including the finals on Saturday afternoon.

We will be starting the novice trials on Thursday morning; this is usually for young dogs starting off in their trialling career. The improver dogs will follow the novice trials. Improver dogs are those who have won a novice previously. This is followed by the open class of dogs. These have usually won an improver or novice event, but often workers will enter the open with a novice or improver.

We have just recently attended our WA State Championship trial. This was conducted by the Great Southern Club at the Muresk Farm. This was a great trial, with freezing mornings, followed by warm, almost hot sunny days. This championship was won by Ivan Soliman of Brookton with his bitch Sasha. Well done to Ivan.

WA's top dogs to represent our state in the supreme championships which will be held in Dalby QLD will be Grant Cook with his bitch Grass Valley Sky and Peter Gorman with his bitch Coshies Dusty. Grant will not be at our Wagin trial this time due to his commitment as Australian president, but Peter and Dusty, along with Peter's other bitch Princess Sally will be competing at Wagin and flying out to QLD at the conclusion of this event.

We will have most of WA's top dogs competing in Wagin, and we look forward to seeing anyone who would like to come along and watch our dogs in action!

WAGIN JUNIOR HIGH SCHOOL YEAR OF 1959

It is 60 years since the 'Class of '59' left Wagin JHS to go their various ways. A reunion has been planned for a luncheon on Friday 4th November 2019, from 11:30am, to be held at the Black Swan Winery and Café, cnr West Swan Road and Forest Road, Henley Brook.

We are hoping to contact as many members of the class as possible. If you haven't received a letter or phone call, it's because we don't know where you are and would really like you to attend.

Please contact Coral Francis (Gell) cozzaf44@outlook.com PH: 043 7202 662 or Carol Sharp (Watson) cbsharp1@bigpond.com PH: 08 9271 9981 for further information.

MEALS ON WHEELS NOTICE

The Meals on Wheels Committee wish to advise that they will cease operation after the 27th September.

We sincerely thank all of the volunteers for their efforts in the past years in delivering the many meals that were required by our recipients.

Delivery of meals will now come entirely under the umbrella of HAAC from that date.

If you would like to continue to help with the delivery of meals on a volunteer basis, please contact Kim Nottle on 9861 1874. She would like to hear from those wishing to continue to help.

Thank you

MASTERPLAN AT THE WAGIN DISTRICT CLUB

Saturday the 31st August saw Masterplan playing at the Wagin District Club. With an awesome turnout of over 60 people it was a great night supporting the Club. Masterplan played a huge variety of music that catered to everyone's tastes and had all patrons up and dancing and enjoying the night.

Masterplan are based in Perth but travel as far as Kalgoorlie to play. The band include local man Peter Fauser on guitar alongside their vocalist Marnie from Bunbury, Kelly McCarthy on Bass and Andrew Mack on drums who are both from Perth. They have upcoming gigs in Bunbury and Kalgoorlie. For more information check out their Facebook page <https://www.facebook.com/masterplanperth>

The Wagin District Club's next gig will be Joshua Mason on the 21st September. Keep an eye out on the Wagin District Club's Facebook page and local noticeboards for upcoming events.

WAGIN NETBALL CLUB CELEBRATE ANOTHER SUCCESSFUL YEAR

The Wagin Netball Club senior presentation night was held on Saturday 31st August at The Palace Hotel Wine Bar. With the theme of the night "Shimmer and Shine", the room was sparkling and all the girls made an effort to get dressed up which set the

vibe of the night with lots of laughter and good times. Life Members Tammy Broom and Jessica Hamersley came along to share the fun and present the awards. We have had a successful year so far with 5 senior teams in the competition and Wagin 3 in the grand final. Wagin 1 and Wagin 2 are playing this weekend in the preliminary final to secure a spot into the grand final.

The Junior Awards were held on Wednesday 4th September; the afternoon started off with a Parents versus Kids match and then the awards to follow at the Rec Centre. Life Members Coral Davies, Jessica Hamersley and Tammy Broom were in attendance to present the awards. It was a huge turnout, having 5 junior teams in the competition. Wagin 6 also play in the preliminary final this weekend. Good luck girls!

Congratulations to all of our award winners and a special mention to Ashleigh Boundy for receiving our "Club Award".

FOX BAITING PROJECT— PREVIOUS 1080 TRAINING ACCEPTED

We have had some feedback regarding confusion around the fox bait project we currently have running.

If you have previously completed your 1080 accreditation, you will NOT be required to do so again to take advantage of this program.

You should have a number that goes with your accreditation, and you can quote that on the EOI form which will inform the organisers that you don't require further training.

If we can generate further interest in local fox baiting, we will be looking to hold a training event in Woodanilling for those who need it.

Please see the expression of interest form over the page, complete and return to either wwlandcare@westnet.com.au or the email listed on the form.

SWCC Regenerative Agriculture Survey

Help guide future funding investment

Regenerative farming is a holistic concept that is proposed nationally and internationally to transition agriculture to becoming a truly sustainable industry. The term "regenerative" is more accurate than "sustainable" because the practice regenerates and stabilizes soils, increases biodiversity, captures carbon, improves the water cycle and provides ecosystem services, by reducing or eliminating many conventional/industrial farming practices such as excessive ploughing and the widespread over-use of inorganic fertilisers and pesticides (herbicides, insecticides, fungicides etc.).

Regenerative agriculture is one way in which farmers can remain profitable by ensuring their farm products meet global demands, which is why the State government through the Department of Primary Industries and Resource Development (DPIRD / DAFWA) has started looking into these practices.

The seven regional natural resource management (Landcare) organisations in WA have been funded by StateNRM to conduct this survey to find out what the key barriers are that might stop farmers and others from actually taking up regenerative agriculture. The results will be provided to DPIRD to help guide their future priority research.

The survey is anonymous and does not ask for any personal or financial information. It is only two pages long and should not take more than 10 minutes to complete. Thank you in advance for your input into the survey, which will help inform State investment into the sector.

We would welcome your input into helping guide investment into APPROPRIATE areas by having your say at the following address:

Get yourself and your K9 bestie to Wagin to have a go at K9 Obstacle Racing! Set at the Woolorama showgrounds we have an action-packed obstacle course which is suitable for all dog breeds big and small. We will have a Competitive category to suit the hard-core competitors and a Social category for the people looking for a bit of fun, go at your own pace, no pressure event.

Competitive participants will be racing against the clock and all the obstacles must be completed. Time penalties may also apply at some of the obstacles. We recommend competitors have a good level of fitness and same goes for your dog - there will be lots of jumping over obstacles and the course will cover approx. 4kms.

Social participants can tackle the same course individually or with a group of friends. All obstacles are optional. If you aren't keen to try any part of the course that's fine - just go around it!

This event is called Mutt Mudders for a reason. You and your furry friend are going to get wet.....and muddy! Please dress appropriately with closed in shoes which you can rinse off at the end of the event. Bring a couple of towels and a clean change of clothes to get into once you're done. There will be a dog washer at the event who can clean up your pooch, so bring some money along and you won't have a smelly wet dog in your car on the way home!

This event is running in conjunction with a horse Gymkhana and we will be situated on the same oval as our equestrian friends. All dogs are to be on leash and under control at all times to keep our competitors, spectators and volunteers as safe as possible. Dogs which are deemed uncontrollable or showing aggressive/antisocial behavior may be asked to leave by event organizers. We ask all people with dogs to stay at our allocated end of the oval - dogs are not allowed in the equestrian section.

Please arrive no later than 9am to ensure you have time to collect your race bib, dog vet checked (if you are a competitive entrant) and to hear the pre-race talk from the event organizers.

We can't wait to see you there!!

BRAIN TEASERS

Kings and queens may cling to power, and the jester's got his call,
But, as you may all discover, the common one outranks them all.

You use a knife to slice my head,
And weep beside me when I'm dead.
What am I?

BRAIN TEASERS

I have six faces and twenty-one eyes, yet I cannot see. What am I?

The answer is DIE.

What is orange and sounds like a parrot?

The answer is CARROT.

BAKED LEMON CHEESECAKE

INGREDIENTS

- 250g plain sweet biscuits
- 150g butter, melted
- 500g cream cheese, softened
- 3/4 cup caster sugar
- 3 teaspoons finely grated lemon rind
- 3 eggs
- 1/4 cup lemon juice
- Icing sugar mixture, to serve
- Double cream, to serve

*** Can add fresh or frozen raspberries into the mix to change it up. (Lightly mix through after beating lemon juice in).

METHOD

• Step 1

Preheat oven to 160°C/140°C fan-forced. Grease a 6cm-deep, 20cm round spring form pan. Process biscuits until finely chopped. Add butter. Process until combined. Press mixture over base and side of prepared pan. Refrigerate for 15 minutes.

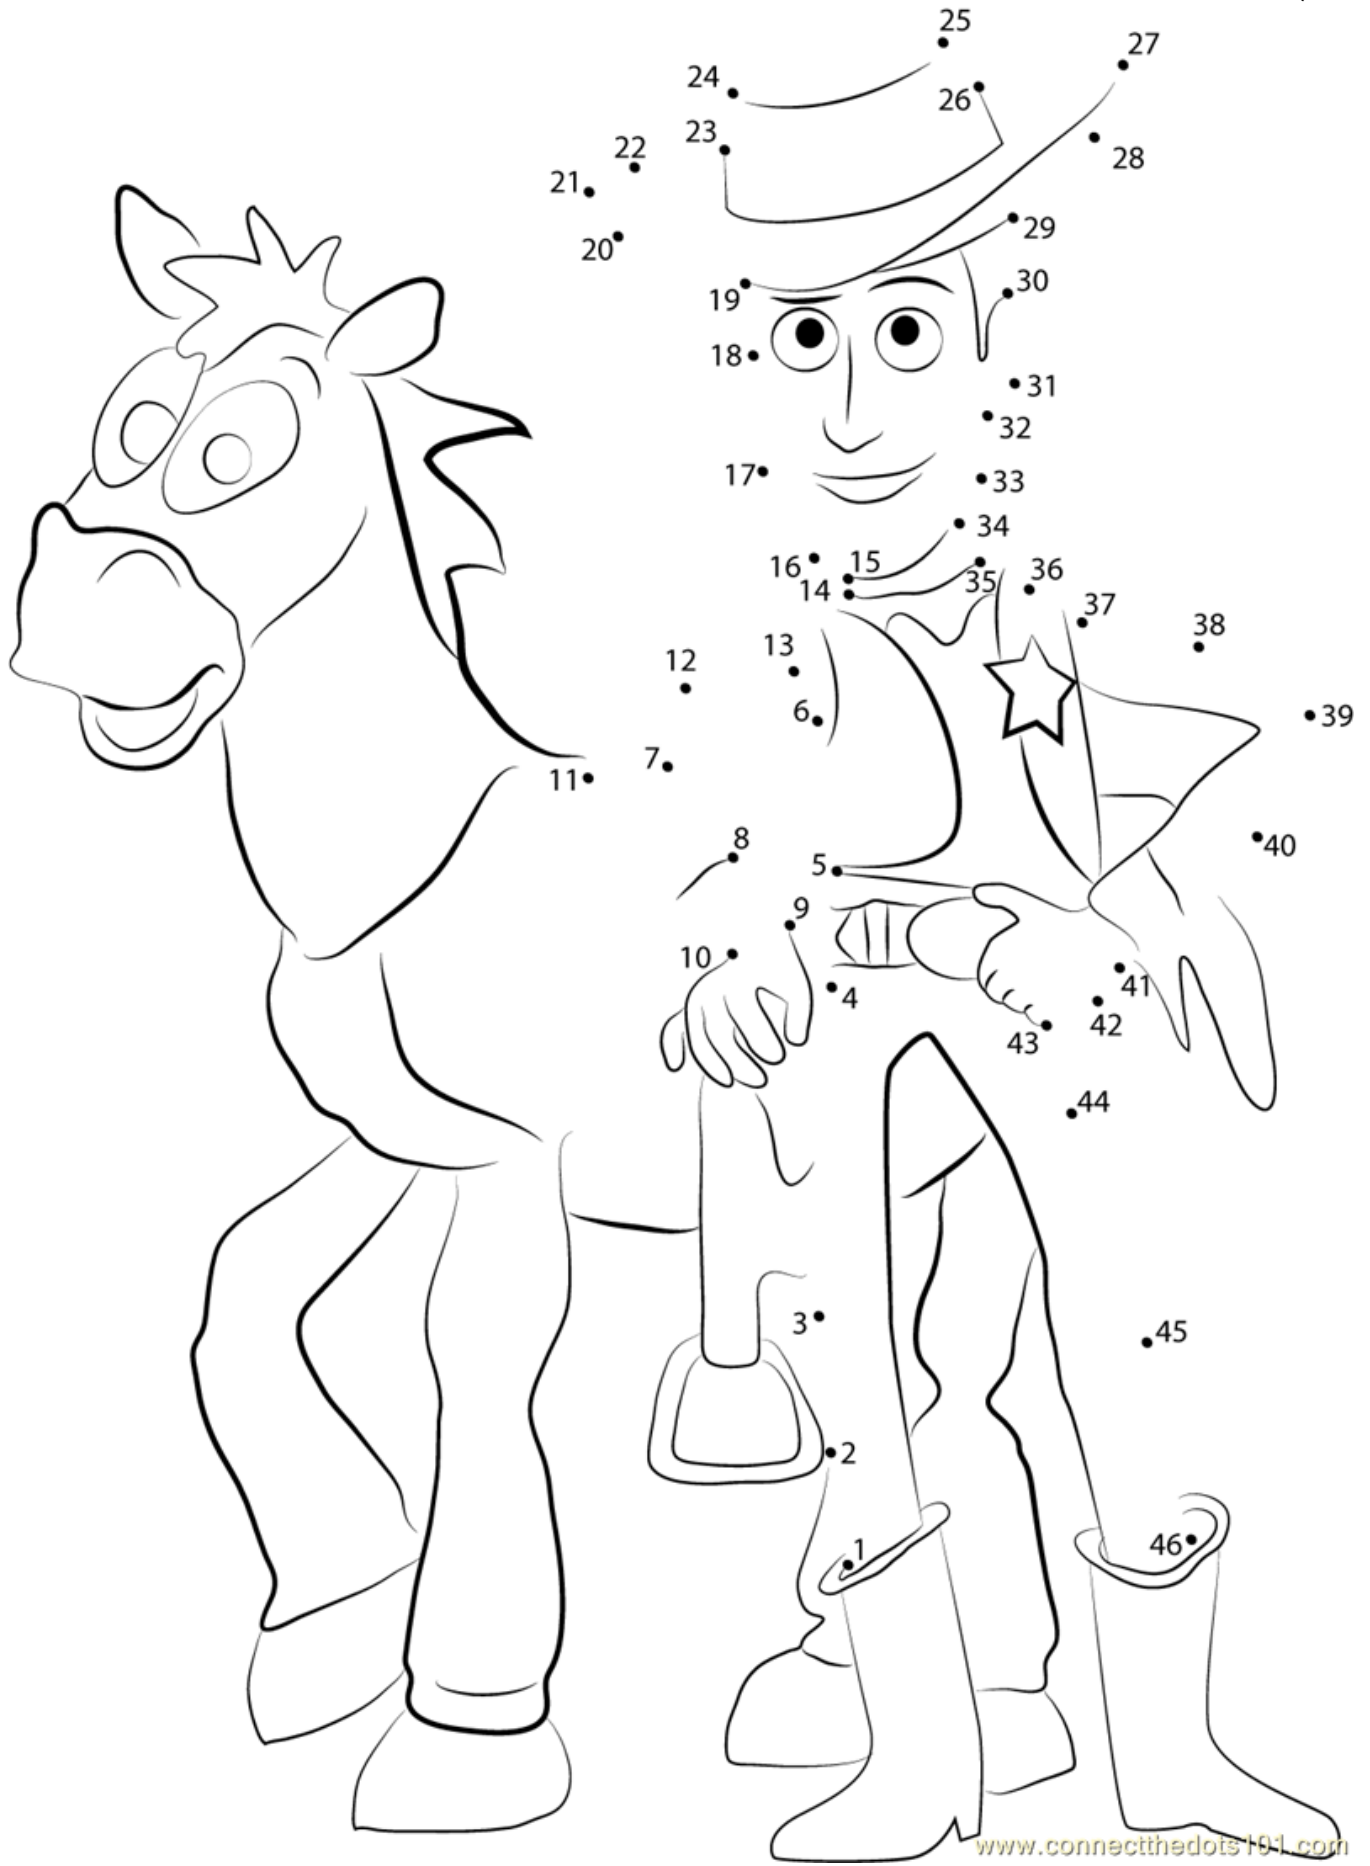

• Step 2

Meanwhile, beat cream cheese, sugar and lemon rind together until smooth. Add eggs, 1 at a time, beating until combined. Add lemon juice. Beat for 1 minute. Pour mixture into prepared pan.

Step 3

Bake for 50 minutes to 1 hour or until filling is just set (mixture may wobble slightly in centre, but will firm on standing). Cool in oven with door slightly ajar. Refrigerate for 4 hours or until cold.

Dust with icing sugar and serve with cream.
